What They're Saying

JE.

"My wife was obsessed. Our leasing agent, Shelby, provided a wonderful tour and was very knowledgeable of the building and location. She made us feel right at home. We are also avid Padres fans and love the convenience of being so close to Petco Park. We are definitely considering ALX as our next home and can't wait to work with the team further!."

Pet Of The Month

Chiefy

Meet Chiefy — a 5-year-old COVID pup with a big heart and even bigger dreams. He runs Chiefy Cafe, a cozy downtown spot serving the best coffee, snacks, and treats for pets and their humans. Chiefy also started Brewhound Coffee, where every purchase helps support animals in local shelters — because giving back is part of the job! When he's not at work, you'll find Chiefy at the park or dog beach (he's still a little unsure about those big waves!). He loves chasing birds, finding snacks, and saying hi to everyone downtown. At the end of the day, Chiefy cuddles up with his favorite lamb toy and relaxes with some Netflix and chill—he's earned it!
