Thanks For Joining Last Month

Plant & Sip

Our Plant & Sip night was such a special evening, and we want to extend a huge thank you to everyone who joined us and brought such beautiful energy to the space. It was wonderful to see the community come together with hands in the soil and conversations flowing, serving as a perfect reminder of how good it feels to slow down and create something of your own. Your presence truly made the night, and we're so grateful to have such a vibrant group of neighbors to share these creative moments with.

What They're Saying

SB.

"I've had a great experience with ALX. The units offer a surprising amount of space, and the amenities truly make it feel like an oasis in the middle of a busy area. What really stood out, though, was the professionalism of Cassidy and Shelby—they were welcoming, knowledgeable, and made every tour feel comfortable and enjoyable. Their approach made a lasting impression and reflects very well on the community overall. "

ALX Local Feature

LA Dodgers vs. Padres Home Game Series

Get ready for one of the most electric matchups in baseball as our San Diego Padres take on the Los Angeles Dodgers at Petco Park from May 18th to May 20th! This early-season home series is set to be a high-stakes showdown between NL West rivals, bringing a playoff-like atmosphere right to our backyard. Whether you're heading down to the East Village to catch the sunset over the Western Metal Supply Co. building or cheering from the stands, there's nothing quite like the energy of a packed house when the Dodgers come to town. Grab your gear and head over to the ballpark to support the home team—it's the perfect way to soak up a May evening in San Diego!

San Diego In May

A Month Of Culture, Art & Community

May in San Diego is bursting with culture, art, and community spirit! Kick off the month with the vibrant Cinco de Mayo Fiesta in Old Town (May 1st-5th), where the streets come alive with traditional music, world-class mariachi, and incredible local flavors. Theater lovers can catch the Tony Award-winning MJ The Musical at the Civic Theatre from May 5th to 10th, while the San Diego International Fringe Festival (May 12th-24th) offers a unique, uncensored celebration of creativity across the city. On May 16th, head to Balboa Park for the Asian Pacific Cultural Festival, the city's largest celebration of Asian Pacific American cultures, featuring traditional performances and diverse cuisine. Pet Of The Month

Meet Hippo!

Pet of the Month: Say hello to Hippo

Hippo might look like a tiny, wrinkly little gremlin at first glance—but she's actually the sweetest, most loving baby ever! At just 11 months old, she already has the personality of a loyal little dog, always wanting to be near you, following you around, and soaking up every bit of attention she can get. She loves traveling and going on car rides, but she's happiest curled up close, warm and cozy. Whether she's climbing around, perching like she owns the place, or snuggling up for warmth, Hippo is the perfect companion—with a heart so big it completely makes up for her "scary" little face.
