Pet Of The Month

Penelope

Hi, I'm Penny! You can call me that or just "Your Majesty." I'm the feline overlord of this cozy little kingdom (aka my human's apartment). My paws are not just for walking but also for dough-kneading machines, turning blankets into the most delicious biscuits. When the sun sets, it's time for snuggles! I'm a master cuddler, purring my way into your heart. But let's get down to business: rotisserie chicken. It's not just food; it's a way of life. Bow down, humans, and acknowledge my supreme

feline reign!
