Kuro Matcha Morning

The only thing more popular than living at ALX, is an iced matcha. Thank you SO much to the girls [@kuromatchaofficial](#) for treating our residents to their incredible matcha creations. Our fav was the strawberry fields with a strawberry and cream base + cold foam. YUM. Let us know in the comments on instagram if you'd like to see this event again!

National Dog Day

Yappy Hour Recap

National Dog Day was a tail-wagging success at ALX! We loved celebrating with our residents and their four-legged friends at Yappy Hour, complete with treats, social time, and some of our favorite local pet partners, including [@dogtopia_san_diego_eastvillage](#), [@thedenpawspa](#), and [@balboatothebay](#). A special shoutout to Dogtopia San Diego East Village, which is now enrolling for its opening Founders Offer—sign up now to lock in the special rate and receive one FREE day of daycare per week! Thank you to everyone who joined us and helped make the evening so much fun.

Pet Of The Month

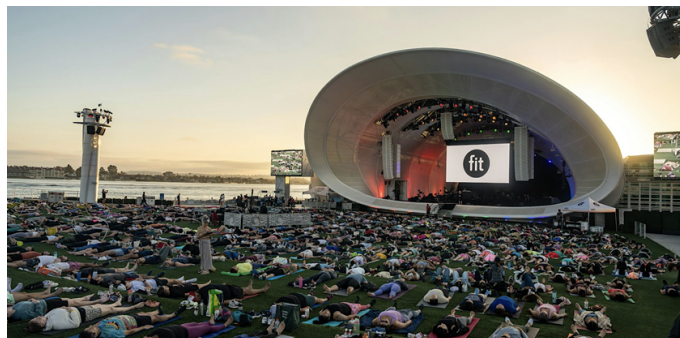

Meet Shelby

Who's the cute little princess sniffing everyone at the elevator? That's Shelby. She's named after the car because the zoomies come standard. She loves walks, runs, and belly rubs. The pink on her forehead? Mom's lipstick. Because good girls deserve all the kisses. Her vest says, "Mama says I'm special." She sure is. If you see Shelby, say hi! She'll greet you with a smile and probably a quick sniff.
