What They're Saying

JL.

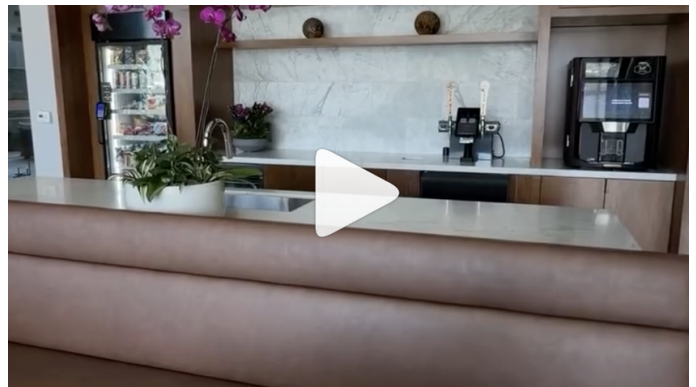

"We recently toured ALX Apartments and had such an amazing experience from start to finish! The property itself is beautiful, clean, and very well maintained — you can tell they truly care about their community.

What really made our visit stand out was Kassydi. She was incredibly professional, welcoming, and knowledgeable. She took her time answering all of our questions, walked us through every detail, and made us feel completely comfortable throughout the entire tour. Her positive attitude and genuine enthusiasm made the experience not only informative but enjoyable.

Kassydi went above and beyond to make sure we had all the information we needed and never once made us feel rushed. If you're considering ALX, definitely ask for her — she's amazing! Highly recommend touring here!"

Pet Of The Month

Bean

Pet of the Month: Say hello to Bean!

At 4 years old, Bean has mastered the art of being effortlessly cool—serving nonchalant vibes while secretly being the sweetest boy around. He’s always up for a little adventure, especially when it involves sneaking out for some of his favorite “hallway time.”

And if he’s ever missing? Don’t worry—you’ll likely find him cozied up behind a pile of clothes in the closet, living his best hidden-life moment.
