Pet Of The Month

Moses

Meet Moses, the lovable couch-potato protector! This friendly guy is always excited to meet new people, but don't let his social nature fool you—he's just as happy to chill with friends or lounge on the couch catching some Z's. His heart is as big as his appetite, and he'll never pass up a snack, even if it's just a piece of ice! As a loyal and devoted companion to his human brother & sisters, Moses is the ultimate protector. He watches over them like his life depends on it, always ensuring they're safe and sound. If you ever need a friendly face or a cozy cuddle buddy, Mosey is your guy! We are so happy to have sweet Moses in or ALX community!
