What They're Saying

SW

"We had a great touring experience at ALX with Shelby. She made the entire process feel comfortable, easy-going, and never rushed. She was welcoming, knowledgeable, and happy to answer all of our questions. The units themselves were extremely clean and offered beautiful views, which really stood out. Overall, it was a fantastic experience and left us very impressed with the community. Thank you!"

Pet Of The Month

Miles

Pet of the Month: Meet Handsome Miles!

We are so excited to introduce our adorable ALX Pet of the Month, Miles! This chatty three-year-old Bombay cat and proud San Diego Humane Society alum is a true master of his craft—specifically, he holds a "degree" in snack negotiation, with a focus on salmon Greenies and Churus.

When he isn't busy talking your ear off or asking for boops and cuddles, you can find him in peak athlete mode: batting his favorite wand toys or sprinting through his cat tubes at lightning speed. We're so lucky to have such a charming, high-energy neighbor!
