What They're Saying

JL.

We recently toured ALX Apartments and had such an amazing experience from start to finish! The property itself is beautiful, clean, and very well maintained — you can tell they truly care about their community.

What really made our visit stand out was Kassydi. She was incredibly professional, welcoming, and knowledgeable. She took her time answering all of our questions, walked us through every detail, and made us feel completely comfortable throughout the entire tour. Her positive attitude and genuine enthusiasm made the experience not only informative but enjoyable.

Kassydi went above and beyond to make sure we had all the information we needed and never once made us feel rushed. If you're considering ALX, definitely ask for her — she's amazing! Highly recommend touring here!"

North Coast Summer Digital Food Drive

Giving Back

North Coast Living's annual Summer Digital Food Drive is here! Running from **June 29th to July 29th**, helping support local food banks across the communities we serve. At ALX, donations will benefit **Feeding San Diego Food Bank**, providing critical resources to families throughout San Diego County. Every dollar donated can provide nearly three pounds of food and allows food banks to purchase fresh essentials like milk, eggs, produce, and meat. To maximize the impact, North Coast Living will match all monetary donations, doubling our community's contribution. Join us in donating to support neighbors in need.

Pet Of The Month

Maui

Meet Maui, the most stylish pup in the neighborhood, who absolutely loves showing off her vibrant personality! Whether she is playing with her absolute favorite toys, making new friends during her daily walks, or stretching out on the cool floor after a busy day of fun, Maui knows how to live her best life. While she officially claims not to have a favorite parent, her mom might just have a slight advantage—mostly because she is usually the one handing out the delicious treats!
