Pet Of The Month

Rico & Nala

This month, we're excited to introduce you to two very special members of the ALX family—Rico and Nala! These sweet rescued pups hail from Puerto Rico and have truly found their place in our community.

Rico and Nala each have their unique personalities. A bit of a shy girl, Nala loves her quiet time but never says no to a few extra treats. On the other hand, Rico is the social butterfly of the two, always eager to make friends and soak up all the love he can get!

Their absolute favorite activities are spending time at the dog park, chasing after the frisbee, and keeping an eye on the local bird scene! We're so happy to have these two around, adding their special spark to ALX.
